

## RATCHETING CABLE CUTTER

### Product Features

- ▶ High-leverage ratchet mechanism for single-handed cutting of copper and aluminum cables, leaving no burrs or sharp edges.
- ▶ Patented two-step ratchet mechanism requires fewer strokes per cut.
- ▶ Quick release lever opens blades easily in every cutting position. (Allows removal of the cable before completion of cut).
- ▶ Precision ratcheting mechanism holds cable tight and allows rapid, straight cuts with minimum effort.
- ▶ Hardened steel cutting blades for lasting strength and sharpness.
- ▶ Plastic covered handles with hand guards for comfort and firm grip.
- ▶ Locking lever keeps handles closed for easy transport; fits in a toolbox or bag.
- ▶ One-year warranty.
